

KROZENDA

MULTI-VENDOR B2B & B2C MARKETPLACE

Terms & Conditions

The agreement governing use of the Krozenda platform by retail customers, business buyers, marketplace sellers and dropshipping partners — covering orders, payment, delivery, cancellation, returns, commission and settlement.

Prepared in accordance with the Information Technology Act, 2000, the Consumer Protection Act, 2019 and the Consumer Protection (E-Commerce) Rules, 2020, and the Indian Contract Act, 1872.

Document	Terms & Conditions of Use
Platform	Krozenda — web, Buyer App (Android/iOS), Seller App (Android/iOS)
Operated by	[Legal Entity Name Pvt. Ltd.]
Version	1.0 (Draft for client review)
Effective date	[DD Month YYYY]
Last updated	[DD Month YYYY]
Companion documents	Privacy Policy · Shipping Policy · Return Policy · Vendor Agreement
Governing law	Laws of India · Jurisdiction: [City, State]

Note for the client. This draft reflects how the Krozenda platform is actually being built — the three business models, the multi-vendor order split, online-only payment, the No-Return default with its three exceptions, and the commission and settlement engine. Every field highlighted like **[this]** must be completed with your real commercial values, and the finished text must be reviewed and signed off by your legal counsel before publication. **Please read section 10 and the flagged item on returns carefully** — it identifies a point where the commercial default and consumer law need to be reconciled by you before launch.

1. Acceptance of these terms

These Terms & Conditions ("**Terms**") govern your access to and use of the Krozenda platform, operated by **[Legal Entity Name Pvt. Ltd.]** ("**Krozenda**", "**we**", "**us**", "**our**"). They form a binding agreement between you and Krozenda.

These Terms apply to the website at **[https://www.krozenda.com]**, the Krozenda Buyer and Seller mobile applications for Android and iOS, and the Seller Panel.

By registering an account, placing an order, listing a product, or otherwise using the platform, you confirm that you have read, understood and agree to be bound by these Terms, by our **Privacy Policy**, and — where they apply to you — by our **Shipping Policy**, **Return Policy** and **Vendor Agreement**. If you do not agree, you must not use the platform.

We record your acceptance electronically, together with the date and time, the IP address from which it was given, and the version of the document accepted. This record is admissible as evidence of your agreement. An electronic record under the Information Technology Act, 2000 does not require a physical signature.

If you are accepting these Terms on behalf of a company, partnership or other entity, you represent that you are authorised to bind that entity, and "you" refers to that entity.

2. Definitions

Term	Meaning
Platform	The Krozenda website, mobile applications, Seller Panel and Admin Panel, together.
Buyer	A Retail Customer (B2C) or a Business Buyer (B2B) who purchases through the Platform.
Business Buyer	A dealer, distributor, trader, wholesaler or company purchasing at tiered B2B pricing.
Seller	A Marketplace Seller, Dropshipping Partner, manufacturer or company listing products on the Platform.
Dropshipping Partner	A supplier onboarded by Krozenda whose products are listed on the Platform and shipped from the supplier's own premises.
Own Stock	Products owned by Krozenda and fulfilled from a Krozenda warehouse.
Order	The parent record created when you complete checkout.
Sub-Order	The per-Seller portion of an Order. Each Sub-Order is a separate contract of sale — see section 6.3.
MOQ	Minimum Order Quantity applicable to a B2B price tier.
RTO	Return to Origin — a shipment returned to the Seller because it could not be delivered.
Settlement	The transfer of a Seller's net sale proceeds after deduction of commission and other charges.

3. Our role as a marketplace

Krozenda operates three business models on one platform, and your rights differ depending on which one applies to a given product. The product page identifies the Seller for each item.

Model	Who sells to you	Who ships
Marketplace	An independent Seller, in its own name	The Seller, from its registered warehouse
Dropshipping	A Dropshipping Partner, in accordance with section 3.2	The Dropshipping Partner, from its own premises
Own Stock	Krozenda	Krozenda, from its own warehouse

3.1 Intermediary status

For Marketplace and Dropshipping products, Krozenda acts as an **intermediary** within the meaning of section 2(1)(w) of the Information Technology Act, 2000, and as a **marketplace e-commerce entity** under the Consumer Protection (E-Commerce) Rules, 2020. We provide the technology, the catalogue, the payment collection facility and the logistics coordination. We are not the seller of those products and do not own them.

The contract of sale for such products is formed directly between you and the Seller. Accordingly, the Seller is solely responsible for:

- the accuracy, quality, safety, legality and condition of the product;
- the product description, images, specifications, warranty and country of origin;
- packing the product and handing it to the courier within the committed time;
- issuing a valid tax invoice; and
- honouring any manufacturer or seller warranty.

We do not exercise editorial control over Seller listings beyond the category, brand and product approval checks described in section 5.1, and we do not independently verify every claim a Seller makes about a product.

3.2 Where Krozenda is the seller

For Own Stock products, Krozenda is the seller of record and is directly responsible to you for that sale, including under the Consumer Protection Act, 2019. Nothing in these Terms limits that responsibility.

Client decision required. The seller of record for the Dropshipping model — whether the Dropshipping Partner invoices you directly, or Krozenda buys and resells — must be settled before launch. It determines who issues the tax invoice, who bears consumer-law liability, and the GST TCS (section 52) and TDS (section 194-O) treatment. Section 3 must be finalised to match that decision, and the wording above assumes the Partner invoices directly.

3.3 What we do take responsibility for

Regardless of model, Krozenda remains responsible for operating the Platform itself: securing your account, processing payments correctly, refunding you what you are owed, protecting your personal data, and running a fair grievance process under section 27.

4. Eligibility and your account

4.1 Who may use the Platform

- You must be at least 18 years old and competent to contract under the Indian Contract Act, 1872.
- You must not be a person barred from receiving services under Indian law, or previously suspended or removed from the Platform.
- Business Buyers and Sellers must be validly registered entities with the registrations required for their trade.

4.2 Registration

You must provide accurate, current and complete information and keep it updated. Your mobile number is verified by OTP and your email address by a verification link. You may hold only one account unless we agree otherwise in writing. Certain roles — trader, dealer, distributor and wholesaler — may hold both buying and selling capabilities on a single account.

4.3 Account security

You are responsible for keeping your password and OTPs confidential and for all activity under your account. **Krozenda will never ask you for your password, OTP, card details or UPI PIN** — anyone who does is attempting fraud. Notify us immediately at the address in section 30 if you suspect unauthorised access. We are not liable for losses arising from your failure to keep your credentials secure, but we will act promptly once you tell us.

4.4 Communications

By registering, you consent to receive transactional communications — OTPs, order and delivery updates, refund and settlement notices, and account or policy notices — by SMS, email, WhatsApp where enabled, and push notification. These are part of the service and cannot be switched off while your account is active. Promotional messages are sent only if you opt in, and you can opt out at any time.

5. Product listings, pricing and availability

5.1 Listings

Products pass a **category approval** → **brand approval** → **product approval** chain before going live. This is a compliance and catalogue-quality check; it is not a warranty by Krozenda as to the product's quality, performance or fitness. Product images are indicative and actual colour, packaging and accessories may vary.

5.2 Pricing

- All prices are in Indian Rupees (INR) and, unless stated otherwise, are inclusive of GST at the applicable rate. The tax breakdown appears on your invoice.
- Shipping charges, handling fees and any other charges are shown separately at checkout before you pay.
- Prices are set by the Seller (or by Krozenda for Own Stock) and may change at any time before you place an order. The price applicable to your order is the price displayed at the moment your payment is confirmed.
- Business Buyers see tiered pricing — wholesale, dealer or distributor — determined by the role approved on their account, and must meet the MOQ shown for that tier.

5.3 Pricing errors

Despite our efforts, a listing may occasionally carry an incorrect price or description. Where a product is listed at an obviously incorrect price — a manifest error — neither Krozenda nor the Seller is obliged to fulfil the order at that price. We will cancel the affected Sub-Order and refund you in full. This does not apply to genuine discounts and promotional pricing.

5.4 Availability

Listings are subject to stock. Stock is held by the Seller and can sell out between your adding an item to the cart and completing checkout. If a Seller cannot fulfil an accepted order, that Sub-Order is cancelled and refunded in full under section 9.3.

6. Placing an order

6.1 When a contract is formed

Displaying a product on the Platform is an invitation to offer, not an offer. Your checkout is an **offer to purchase**. A binding contract is formed only when the Seller accepts the Sub-Order — shown in your account as *Vendor Accepted*. Payment confirmation alone does not create the contract; if no Seller accepts, you are refunded in full.

6.2 Order lifecycle

Every Sub-Order moves through the following states, and each transition is logged with the actor, timestamp and reason:

```
Placed → Payment Verified → Assigned to Seller → Vendor Accepted
      → Packed → AWB Generated → Shipped → In Transit → Delivered
      → Settlement Eligible → Settled

Exception paths: Vendor Rejected • Cancelled (buyer) • Cancelled (admin)
                RTO Initiated • RTO Delivered • Return Requested • Replacement Issued
```

6.3 Multi-seller orders

Your cart may contain items from several Sellers. At checkout, we split your Order into one **Sub-Order per Seller**. This matters to you in practice:

- Each Sub-Order ships separately, on its own timeline, and may arrive on different days.
- Each Sub-Order carries its own tax invoice from that Seller.
- Each Sub-Order can be cancelled, returned or refunded independently. Cancelling one does not affect the others, and you are refunded proportionately for the cancelled Sub-Order only.

6.4 Order acceptance and rejection

We or the Seller may decline or cancel an order — before or after acceptance — where there is a stock failure, a pricing or listing error, a delivery serviceability failure for your PIN code, a failed payment or fraud check, an MOQ or quantity-limit breach, or a suspected breach of these Terms. Where we do, you are refunded in full for the affected Sub-Order under section 9.3.

7. Payment

Online payment only. Krozenda does not offer Cash on Delivery. All orders must be paid for in full at checkout before they are processed. Never pay cash to a delivery agent for a Krozenda order — no genuine Krozenda order requires it.

7.1 Accepted methods

Payments are processed by our payment gateway partner and may be made by UPI, credit card, debit card, net banking or wallet. Availability of a particular method depends on the gateway and your bank.

7.2 How payment is handled

- Payment details — card number, CVV, UPI PIN, net-banking credentials — are entered on the gateway's own secure PCI-DSS compliant interface. **Krozenda never receives, sees or stores them.**
- We receive only the payment reference, the amount and the payment status.
- Funds are collected through the gateway and split at settlement: Krozenda retains its commission and applicable charges, and the Seller's share is transferred to the Seller's own verified linked account under the gateway's split-settlement facility.
- Your bank or card issuer may apply its own charges, including for international cards. Those are between you and your bank.

7.3 Failed and duplicate payments

If your payment is debited but the order is not created, or you are charged twice, the amount is reversed automatically once the gateway reconciles the transaction — ordinarily within **[5 to 7]** working days, subject to your bank. If it does not reach you, raise a grievance under section 27 with the transaction reference and we will pursue it with the gateway.

7.4 Taxes and invoicing

GST is charged at the rate applicable to each product's HSN classification. A tax invoice is issued per Sub-Order by the Seller of that Sub-Order, and is available for download from your account. Business Buyers must enter a valid GSTIN before checkout to receive an input-credit eligible invoice; a GSTIN cannot be added to an invoice after the order is placed.

8. Shipping and delivery

- Delivery timelines shown at checkout are estimates based on the Seller's dispatch commitment and the courier's service level. They are not guarantees, and are not of the essence of the contract.
- Shipments are handled by our logistics partner and third-party couriers. A tracking number (AWB) is issued when the shipment is picked up, and is visible in your account.
- Delivery is made to the address you provide. You are responsible for its accuracy and completeness, and for being reachable on the contact number given.
- Risk in the goods passes to you on delivery. Where a shipment is accepted by another person at your address, that constitutes delivery to you.
- Delivery may be delayed by events outside our control — weather, strikes, civil disruption, regulatory action or courier failure. See section 23.

- Serviceability varies by PIN code. Some products cannot be shipped to some locations for regulatory or logistical reasons.

Full details are in our **Shipping Policy**, which forms part of these Terms.

9. Cancellation

9.1 Cancellation by you

You may cancel a Sub-Order free of charge at any time **before it is dispatched** — that is, before an AWB is generated. Cancel from the order detail screen in your account. Once a Sub-Order is dispatched it cannot be cancelled, and section 10 or 11 applies instead.

Because Sub-Orders are independent, you may cancel one Seller's items and keep the rest of your Order.

9.2 Cancellation by Krozenda or a Seller

We may cancel a Sub-Order, before or after acceptance, for any of the reasons in section 6.4. Where we do, we tell you the reason and refund you in full.

9.3 Refund on cancellation

Cancellation triggers a proportional refund of the amount paid for that Sub-Order, including the shipping charge attributable to it, to your original payment method. Refunds are initiated within **[24 to 48]** hours of the cancellation being confirmed, and ordinarily credited within **[5 to 7]** working days depending on your bank or card issuer. We do not control that final leg.

10. Returns, replacement and refunds

10.1 The policy

Krozenda operates a **No Return** policy. Products cannot be returned or exchanged for reasons of change of mind, incorrect size or colour ordered, or a buyer's own error in placing the order.

Returns are accepted only in the following three cases:

Accepted reason	What it means
Damaged product	The product arrived broken, defective or damaged in transit.
Wrong product	The item delivered is not the item ordered — a different product, variant, size or colour.
Missing product	An item shown as delivered in the Sub-Order is absent from the package.

10.2 How to raise a request

- Raise the request from the order detail screen within **[48]** hours of delivery. Requests outside this window may be declined.
- **Photographic evidence is mandatory.** Upload clear photographs of the product, the damage or discrepancy, and the outer packaging and shipping label. A request without evidence cannot be processed.
- Keep the product in its original condition with all packaging, tags, accessories, manuals and free items until the request is resolved.

10.3 How we decide

Our team reviews each request against the evidence, in consultation with the Seller, and either approves or rejects it with a stated reason, ordinarily within **[3 to 5]** working days. Where approved, you receive either a **replacement** or a **refund**, at our discretion having regard to stock availability and your preference. Who bears the return shipping cost is determined case by case, and is borne by Krozenda or the Seller — not by you — where your claim is upheld.

10.4 Refund timelines

An approved refund is initiated within **[24 to 48]** hours of approval — or, where the product must first be collected, of it reaching the Seller — and is credited to your original payment method within **[5 to 7]** working days thereafter. We do not issue cash refunds, and we do not refund to an account other than the one paid from.

Client action required — consumer law reconciliation. A blanket "No Return" default sits uneasily with the Consumer Protection (E-Commerce) Rules, 2020, which require a marketplace entity to publish clear return, refund, exchange and warranty terms and prohibit unfair trade practices, and with the Consumer Protection Act, 2019 more generally. Certain categories are also treated differently in practice. Before publication, your legal counsel should confirm: (a) that the No-Return default with these three exceptions is defensible for every category you intend to list; (b) whether a short cooling-off window is required or commercially advisable; and (c) the correct disclosure wording on each product page. We have flagged this rather than resolve it silently, because the commercial decision is yours.

10.5 Non-returnable in all cases

Even within the three accepted reasons, the following are not eligible where the issue is not attributable to the Seller: products damaged by misuse or by you after delivery; products with the tamper-evident seal broken on hygiene, personal-care, innerwear, food or consumable categories; software, digital goods and activated licences; made-to-order and personalised items; and any product returned without its original packaging and accessories.

11. Return to Origin (RTO)

A shipment may be returned to the Seller undelivered — an incorrect or incomplete address, the recipient unreachable after the courier's attempts, or refusal to accept the delivery. The No-Return policy does not apply to RTO; the following does:

- Where the RTO is **not attributable to you** — courier failure or a Seller error — you are refunded in full, including shipping.
- Where the RTO is **attributable to you** — a wrong address, persistent unavailability, or refusal without a reason under section 10.1 — you are refunded the product value, and we may deduct the forward and return shipping actually incurred, which is disclosed to you before the deduction is made.
- Repeated buyer-attributable RTOs may lead us to restrict or suspend the account under section 19.
- On completion of an RTO, the Seller's settlement for that Sub-Order is reversed and inventory is restored.

12. Seller registration and verification

Sections 12 to 14 apply to Sellers and Dropshipping Partners. They are read together with the Vendor Agreement, which prevails over these Terms in the event of a conflict on a seller-specific matter.

12.1 Application and approval

Registering as a Seller does not entitle you to sell. Your application is reviewed by our team and your storefront is activated only on approval. We may approve, reject or request further documents at our discretion, and we state a reason for any rejection. Approval may be withdrawn if the basis on which it was granted changes.

12.2 Verification documents

Depending on your business type and categories, you must submit:

- PAN card;
- Aadhaar or another accepted government photo identity document of the authorised signatory;
- GST registration certificate;
- FSSAI licence, if you intend to list food products;
- a cancelled cheque or bank account proof in the business's name;
- address proof for the registered and pickup addresses; and
- incorporation, partnership or firm registration documents, as applicable.

Documents are reviewed manually by our authorised staff and are stored encrypted, as described in our Privacy Policy. **We verify documents by human review; we do not authenticate them against any government database.** You warrant that every document you submit is genuine, current and yours. Submitting a forged or altered document is a material breach and grounds for immediate termination and referral to the authorities.

12.3 Settlement account

Before you can receive money, you must be onboarded as a linked account with our payment gateway and complete that gateway's own KYC. Settlement cannot be released to any account other than your verified linked account.

13. Seller obligations

As a Seller you must, on a continuing basis:

- **List accurately.** Provide true and complete product titles, descriptions, images, specifications, SKU, barcode, HSN code, GST rate, MOQ, country of origin and any mandatory statutory declarations under the Legal Metrology Act, 2009 and its Packaged Commodities Rules.
- **Sell only what you are entitled to sell.** Hold all licences, permissions and rights — including trademark and distribution rights — necessary for every product you list.
- **Maintain stock accuracy.** Keep inventory current so that accepted orders can actually be fulfilled.
- **Accept and dispatch on time.** Accept or reject an assigned Sub-Order within **[24]** hours, and hand the packed shipment to the courier within **[48]** hours of acceptance, with the packing slip and correct invoice enclosed.
- **Invoice correctly.** Issue a compliant GST tax invoice for every Sub-Order.

- **Handle buyer data lawfully.** Use buyer names, addresses and contact numbers solely to fulfil the order. Do not retain them longer than necessary, do not market to buyers independently on the basis of that data, and do not disclose it to anyone other than the courier.
- **Deal with post-sale issues.** Cooperate promptly and in good faith with return, replacement, refund and RTO investigations, and honour applicable warranties.
- **Compete fairly.** Do not post fake reviews, manipulate ratings, list counterfeit or infringing goods, misrepresent origin, or attempt to divert buyers off-platform to avoid commission.
- **Keep records current.** Notify us of any change in your entity details, GST status, licences, bank account or pickup address.

Failure to meet dispatch commitments, high cancellation or return rates, or repeated buyer complaints may result in reduced visibility, withholding of settlement pending investigation, suspension, or termination under section 19.

14. Commission, fees and settlement

14.1 Commission

Krozenda charges commission on each Sub-Order. Commission may be a fixed amount or a percentage, and is resolved on a most-specific-wins basis in the following order:

product-specific → seller-specific → category-specific → company-specific → default rate

The commission applicable to a Sub-Order is fixed at the moment the order is placed and is recorded on the Sub-Order. A later change to the commission configuration does not alter the commission on orders already placed. Current rates are visible in your Seller Panel, and we give you **[30]** days' notice before a rate change takes effect.

14.2 Other deductions

In addition to commission we may deduct payment gateway charges, shipping charges where borne by the Seller, RTO and return shipping costs allocated to the Seller, penalties for breaches under section 13, refunds and chargebacks attributable to the Seller, and applicable taxes. Each deduction appears itemised in the settlement record.

14.3 Settlement

- A Sub-Order becomes settlement-eligible once it is **Delivered** and the return window in section 10.2 has elapsed without an open claim.
- Settlement runs on the cycle configured for your account — automatic, manual, weekly or monthly.
- Payment is made by transfer to your verified linked account through the gateway's split-settlement facility.
- Every settlement carries a full audit trail: gross value, commission, each deduction, net payable, transfer reference and status.

14.4 Withholding and reversal

We may withhold settlement, in whole or part, while a fraud investigation, a chargeback, a consumer complaint, a regulatory enquiry or an unresolved return claim is pending, and we will tell you why. Where an order is

cancelled, refunded or returns to origin after settlement, the corresponding transfer is reversed and the amount is recovered from your next settlement or otherwise on demand.

14.5 Tax

Krozenda will collect and deposit tax at source under section 52 of the CGST Act, and deduct tax under section 194-O of the Income-tax Act, at the applicable rates, and will make the corresponding statements available to you. You remain responsible for your own tax registrations, returns and liabilities.

15. Prohibited and restricted products

The following may not be listed or sold on the Platform:

- anything whose sale is prohibited or restricted under Indian law, including narcotics, psychotropic substances and their precursors;
- arms, ammunition, explosives and weapons;
- counterfeit, replica, pirated or trademark- or copyright-infringing goods;
- prescription drugs, habit-forming medicines and unapproved medical devices;
- tobacco, e-cigarettes and vaping products, and alcohol, except where you hold every licence required and we have approved the category in writing;
- live animals, endangered species and products made from them;
- hazardous, radioactive and toxic materials;
- human organs, tissue, blood and bodily fluids;
- currency, securities, lottery tickets and gambling products;
- obscene material and any content prohibited under section 67 of the Information Technology Act, 2000;
- stolen goods, and equipment intended to compromise devices or defeat security controls;
- recalled products and goods past their expiry date.

We may remove any listing at any time without prior notice where we reasonably believe it breaches this section, and we will report unlawful listings to the appropriate authorities.

16. Reviews, ratings and user content

- You may review a product only where your account has a delivered order for it.
- Reviews must be your genuine, first-hand opinion. Paid, incentivised, traded and fabricated reviews are prohibited, whether posted by a buyer or solicited by a Seller.
- Do not post content that is unlawful, defamatory, obscene, hateful, threatening, invasive of privacy, infringing of any third party's rights, or that contains another person's personal details.
- We may remove or refuse to publish any content that breaches these rules, and may suspend the account responsible. We are not obliged to monitor content proactively, and we act on complaints made under section 27.
- You keep ownership of what you post, and you grant Krozenda a non-exclusive, royalty-free, worldwide, transferable licence to host, reproduce, display and distribute it on the Platform and in connection with our marketing of the Platform, for as long as you keep it posted and for a reasonable period afterwards.
- You confirm you have the right to post what you post, including any photograph you upload.

17. Intellectual property

The Platform, its software, design, layout, graphics, text and compilation of content, and the Krozenda name and logo, are owned by Krozenda or its licensors and protected under the Copyright Act, 1957 and the Trade Marks Act, 1999. Nothing in these Terms transfers any of those rights to you.

You may use the Platform only for its intended purpose. You may not copy, reproduce, modify, reverse-engineer, decompile, frame, mirror, scrape or systematically extract data from the Platform, or use any robot, spider or automated means to access it, without our prior written consent.

Sellers retain ownership of their own brands and product content, and grant Krozenda a licence to use it for listing, promoting and selling their products on the Platform.

If you believe content on the Platform infringes your intellectual property, write to our Grievance Officer under section 27 with details of the right, the listing complained of and a statement of good-faith belief. We will act in accordance with the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021.

18. Prohibited conduct

You must not:

- use the Platform for any unlawful purpose, or in breach of any applicable law or these Terms;
- impersonate another person, or create an account using false information or someone else's identity or payment instrument;
- attempt to gain unauthorised access to any account, server or network, or probe, scan or test the vulnerability of the Platform;
- introduce a virus, worm, trojan or any other malicious code;
- interfere with or disrupt the Platform, or impose an unreasonable load on it;
- engage in fraudulent transactions, payment fraud, refund abuse, coupon abuse or systematic order-and-return behaviour;
- manipulate prices, ratings, reviews or search rankings;
- collect or harvest personal data of other users;
- solicit buyers to transact outside the Platform in order to avoid commission or accountability; or
- abuse, threaten or harass our staff, a Seller, a buyer or a delivery agent.

19. Suspension and termination

19.1 By you

You may close your account at any time from your account settings or by writing to us, provided you have no open orders, pending settlements or unresolved disputes. Closure does not affect obligations already accrued, and we retain records for the periods set out in our Privacy Policy.

19.2 By us

We may suspend or terminate your access, remove your listings, cancel pending orders, or withhold settlement pending investigation, where we reasonably believe you have breached these Terms or the Vendor Agreement,

where your activity is fraudulent, unlawful or harmful to other users, or where we are required to do so by law or a regulator.

Except where immediate action is necessary — fraud, unlawful activity, a security or safety risk, or a legal direction — we give you notice and an opportunity to explain before terminating. We tell you the reason for any suspension or termination, and you may contest it through the grievance process in section 27.

19.3 Effect of termination

Termination does not affect accrued rights. Orders already accepted must still be fulfilled; refunds already owed to buyers must still be paid; amounts owed to us remain payable; and sections 17, 20, 21, 22, 28 and 29 survive.

20. Disclaimers

The Platform is provided on an "as is" and "as available" basis. We do not warrant that access will be uninterrupted, timely, secure or error-free, that defects will be corrected, or that the Platform is free of harmful components. We may modify, suspend or discontinue any part of the Platform, and perform maintenance, with or without notice.

For Marketplace and Dropshipping products, we make no warranty as to the quality, safety, legality, fitness for purpose or accuracy of description of the product, and we do not endorse any Seller. Content submitted by Sellers and by other users reflects their views, not ours.

Nothing in this section excludes or limits any liability that cannot lawfully be excluded or limited, including liability for death or personal injury caused by negligence, for fraud, or under the Consumer Protection Act, 2019 in respect of products for which Krozenda is the seller of record.

21. Limitation of liability

To the maximum extent permitted by law, and subject always to the final paragraph of section 20:

- Krozenda is not liable for indirect, incidental, special, punitive or consequential loss, or for loss of profit, revenue, business, goodwill, data or anticipated savings, however arising.
- Krozenda's total aggregate liability to a buyer in respect of any claim arising out of an order is limited to the amount actually paid by that buyer for the Sub-Order in question.
- Krozenda's total aggregate liability to a Seller in any twelve-month period is limited to the total commission actually received by Krozenda from that Seller in that period.
- We are not liable for the acts or omissions of a Seller, a courier, a payment gateway, a bank, or a telecommunications provider, or for any delay or failure caused by them.

22. Indemnity

You agree to indemnify and hold harmless Krozenda, its directors, officers, employees and agents from any claim, demand, loss, liability, cost or expense — including reasonable legal fees — arising out of your breach of these Terms or of any applicable law, your infringement of a third party's rights, the products you list or sell, or the content you post. This obligation survives termination of your account.

23. Force majeure

Neither party is liable for any failure or delay in performance caused by an event beyond its reasonable control, including an act of God, flood, fire, earthquake, epidemic or pandemic, war, terrorism, civil disturbance, strike or labour dispute, government or regulatory action, failure of a telecommunications or power network, cyber-attack, or failure of a third-party service provider. Obligations are suspended for the duration of the event, and if it continues for more than **[60]** days either party may terminate the affected orders and refund what is due.

24. Privacy and data protection

Our collection and use of personal data is governed by our **Privacy Policy**, which forms part of these Terms and is published on the Platform. By using the Platform you acknowledge that you have read it. Where processing requires your consent under the Digital Personal Data Protection Act, 2023, we obtain that consent separately.

25. Third-party services

The Platform relies on third-party services for payment, logistics, messaging and notifications, and may link to third-party websites. Your use of a third-party service may also be governed by that provider's own terms. We are not responsible for the content, policies or practices of any third-party site, and a link is not an endorsement.

26. Changes to these terms

We may amend these Terms from time to time to reflect changes in our services, our commercial arrangements or the law. The revised version is published on the Platform with an updated "Last updated" date, and takes effect from that date.

Where a change materially affects your rights or obligations — a change in commission rates, a change to the returns policy, or a new charge — we give you at least **[30]** days' prior notice by email, SMS or in-app notice, and where required we ask you to accept the new version. Continuing to use the Platform after a change takes effect constitutes acceptance. Orders already placed are governed by the version of the Terms in force when they were placed.

27. Grievance redressal

In accordance with the Consumer Protection (E-Commerce) Rules, 2020 and the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021, we have appointed a Grievance Officer.

Grievance Officer	Details
Name	[Full name of Grievance Officer]
Designation	[Designation]
Email	[grievance@krozenda.com]
Phone	[+91 XXXXX XXXXX]
Postal address	[Full address, City, State, PIN]
Working hours	[Monday to Friday, 10:00–18:00 IST]

- Every complaint is acknowledged within **48 hours** of receipt and given a ticket reference.
- Complaints are resolved within **one month** of receipt, as the Consumer Protection (E-Commerce) Rules require.
- If you are not satisfied with the outcome, you may approach the appropriate Consumer Disputes Redressal Commission, or the National Consumer Helpline at 1915 / consumerhelpline.gov.in.

28. Governing law and disputes

These Terms are governed by and construed in accordance with the laws of India.

We ask that you first raise any dispute with our Grievance Officer under section 27, so that we have an opportunity to resolve it. Any dispute not resolved that way is subject to the **exclusive jurisdiction of the competent courts at [City, State]**.

[Optional — arbitration clause: Any dispute arising out of or in connection with these Terms may, at Krozenda's election, be referred to arbitration by a sole arbitrator appointed under the Arbitration and Conciliation Act, 1996. The seat of arbitration shall be **[City]** and the proceedings shall be conducted in English.

].

Nothing in this section prevents a consumer from pursuing a remedy available under the Consumer Protection Act, 2019 in the forum having jurisdiction under that Act.

29. General provisions

Entire agreement	These Terms, together with the Privacy Policy, Shipping Policy, Return Policy and (for Sellers) the Vendor Agreement, constitute the entire agreement between you and Krozenda on this subject matter.
Order of precedence	For seller-specific matters, the Vendor Agreement prevails over these Terms. For all other matters, these Terms prevail over any other document, except the Privacy Policy on questions of personal data.
Severability	If any provision is held invalid or unenforceable, it is severed and the remainder continues in full force.
No waiver	A failure or delay in enforcing any provision is not a waiver of it.
Assignment	You may not assign your rights or obligations without our written consent. We may assign ours to an affiliate or successor on notice to you.
No agency	Nothing creates a partnership, joint venture, employment or agency relationship between you and Krozenda.
Notices	Notices to you are sent to the email or mobile number registered on your account and are deemed received on the day of sending. Notices to us must be sent to the address in section 30.
Language	These Terms are executed in English. Any translation is for convenience, and the English version prevails.
